The Blissful Plant Co. LLC or White Window Agency LLC is not responsible for your outcome of any recipe found on our website or linked to from any other source. There are a number of factors that could contribute to not achieving the desired result when preparing a recipe. Some of those can include the ingredients and brands of ingredients, ingredient substitutions, skipping steps, combining steps or altering the recipe, the equipment used, my possible errors/typos, or the reader's individual cooking ability.
