A Proprietary Botanical Microdose Stack

SeroBliss™ is a botanical microdose stack developed to modulate our Serotonergic & Dopaminergic systems, boost mood & create a feeling of ***Euphoric Enlightenment***.

Griffonia Seed - (Griffonia Simplicifolia) is a legume indigenous to western region of Sub-Saharan Africa. The seeds of this plant are known for being the most abundant natural source of 5-hydroxytryptophan (5-HTP), a widely consumed alternative treatment for conditions involving a serotonin imbalance.

Florida Velvet Bean (Mucuna Pruriens - 15% L-DOPA) is a tropical legume native to Africa and tropical Asia. It has a high L-DOPA content, among various other phytochemicals, and is generally taken as an extract to support increased dopaminergic modulating action/dopamine (a neurotransmitter) production and mood enhancement.

Kava Kava - (Piper Methysticum) is an herbal remedy that people use to relieve anxiety and promote a calm & focused state. The root of the plant is often used to produce a drink with calming & euphoriant properties. Its active ingredients are called kavalactones.

Damiana - (Turnera diffusa) is a shrub native to southern Texas, Central America, Mexico, South America, and the Caribbean. It belongs to the family Passifloraceae. Damiana is often used as an aphrodisiac.

Kanna - (Mesembryanthemum Tortuosum) is a succulent plant in the family Aizoaceae native to the Cape Provinces of South Africa. Kanna is known to lower anxiety, fight effects of stress, possibly decrease depression symptoms, and boost energy and focus.

Sacred Blue Lotus - (Nymphaea Nouchali) is traditionally known to be a gateway to the divine or "Third Eye". Blue Lotus has been respected as an ancestral flower known to be euphoric, while helping to decompress the nervous system and relax the body and mind.

NeuroAEA™ is a first-to-market proprietary Anandamide (AEA) fatty acid neurotransmitter stack that may include N-arachidonylethanolamine, β-caryophyllene, kaempferol, vanilloids (capsaicin, vanillin) and myristicin, CBGA, sabinene & phenylpropanoids.

Anandamide (N-arachidonylethanolamine) is a key Fatty Acid Neurotransmitter (endocannabinoid) derived from the non-oxidative metabolism of eicosatetraenoic acid, an essential Omega-6 Fatty Acid. Anandamide acts as an endogenous ligand of CB1 receptors and provides an important regulatory control of 5-HT (2a) system functions. Anandamide has a very short “half life” due to degradation from fatty acid amide hydrolase (FAAH). Our use of terpenes, myristicin, vanilloids, etc., inhibits FAAH degradation and helps to extend the NeuroAEA™ experience.

Fatty Acid	Structure
Anandamide/ AEA N-arachidonylethanolamine	
2-(Palmitoylamino)ethanol C16:0	
N-Stearoylethanolamine C18:0	
N-Oleoylethanolamine C18:1	
N-Linoleoylethanolamine C18:2

TALLOW FUSION™ TECHNICAL DATA SHEET

Product Name: Tallow Fusion™

Category: Skin Rejuvenation & Barrier Support

Form: Topical Balm

Target Use: Moisturizing, nourishing, and restoring skin health

1. PRODUCT OVERVIEW

Tallow Fusion™ is Invictus Vitality's signature skin-nourishing balm series, crafted to deeply hydrate, restore the lipid barrier, and support skin regeneration through rich ancestral fats, phytonutrient oils, and aromatic botanicals. Designed for holistic skin wellness, these balms are optimized for daily use and seasonally adaptive skincare. Each blend uniquely supports different moods and skin needs.

All three formulations—**HIM**, **HER**, and **HYDRATE**—are made with 100% grass-fed tallow and organic East African shea butter for structural support, ostrich oil for deep penetration, beeswax for moisture retention, and therapeutic botanicals for scent and function.

2. FORMULATIONS & INGREDIENTS

TALLOW FUSION™: HIM

Ingredients:

- 100% Grass-fed Tallow
- Organic East African Shea Butter
- Ostrich Oil
- Organic Castor Oil
- Beeswax
- Organic Rosehip Seed Oil
- Organic Sea Buckthorn Oil
- Beta-Pinene (Isolated Terpene)
- Organic Cedarwood Essential Oil
- Organic Pine Essential Oil
- Organic Vanilla

TALLOW FUSION™: HER

Ingredients:

- 100% Grass-fed Tallow
- Organic East African Shea Butter
- Ostrich Oil

- Organic Castor Oil
 - Beeswax
 - Organic Rosehip Seed Oil
 - Organic Sea Buckthorn Oil
 - Organic D-Limonene (Isolated Terpene)
 - Organic Frankincense Essential Oil
 - Organic Vanilla
-

TALLOW FUSION™: HYDRATE

Ingredients:

- 100% Grass-fed Tallow
- Organic East African Shea Butter
- Ostrich Oil
- Organic Castor Oil
- Beeswax
- Organic Rosehip Seed Oil
- Organic Sea Buckthorn Oil
- Organic D-Limonene
- Organic Sandalwood Essential Oil
- Organic Cedarwood Essential Oil

- Organic Vanilla

3. MECHANISM OF ACTION

Ingredient	Function/Benefit
100% Grass-Fed Tallow	Mimics human sebum; rich in CLA, palmitoleic acid; supports barrier function
East African Shea Butter	Antioxidant-rich; enhances skin elasticity and softness
Ostrich Oil	Deeply penetrative; high in omegas 3, 6, 9; supports inflammation reduction
Castor Oil	Humectant; locks in moisture and supports detox pathways
Beeswax	Natural occlusive agent; protects and seals hydration
Rosehip Seed Oil	Vitamin A (retinoic acid) rich; brightens and regenerates skin tone
Sea Buckthorn Oil	High in rare Omega-7; supports wound healing and skin regeneration
Beta-Pinene	Anti-inflammatory terpene; energizing and antimicrobial aroma (HIM only)
D-Limonene	Citrus-derived terpene; mood-lifting and gently clarifying for skin (HER & HYDRATE)
Cedarwood Oil	Grounding, antiseptic, and clarifying for the skin
Pine Oil	Invigorating scent; supports skin cleansing (HIM only)
Frankincense Oil	Anti-aging, cell-regenerating, and calming aroma (HER only)
Sandalwood Oil	Deeply hydrating and anti-inflammatory (HYDRATE only)
Vanilla	Comforting aroma; antioxidant support for all blends

4. SUGGESTED USE

- **Apply** a small amount to clean skin and massage gently.
 - **Ideal For** daily moisturizing, post-shower sealing, or evening skincare rituals.
 - **Face & Body Use:** All blends are non-comedogenic and suitable for facial use.
 - **Pro Tip:** Warm between fingers before application for the smoothest texture.
-

5. MECHANISM OF ACTION HIGHLIGHTS

- **Lipid Replenishment:** Tallow, ostrich oil, and shea mimic skin's natural sebum
 - **Barrier Restoration:** Beeswax + sea buckthorn + rosehip seal and support recovery
 - **Aromatic Nervous System Support:** Each blend's essential oil profile supports emotional tone
 - **HIM:** Grounding & invigorating
 - **HER:** Calming & uplifting
 - **HYDRATE:** Moisturizing & balancing
 - **Antioxidant Support:** Vanilla, sea buckthorn, and frankincense defend against oxidative stress
-

6. STABILITY & SHELF-LIFE

- **Estimated Shelf Life:** 18-24 months (cool storage extends longevity)
- **Packaging Recommendation:** Amber or white glass jars to protect oils and terpenes

- **Preservatives:** None required—formula is self-preserving via beeswax and low water activity
-

7. STORAGE CONDITIONS

- Store in a **cool, dry place**
 - Keep away from **direct sunlight or heat**
 - Refrigeration not required but may enhance shelf life during summer months
-

8. ALLERGEN/GMO/COMPLIANCE INFO

- **Gluten-Free / Soy-Free / Dairy-Free**
 - **Tree Nut Content:** Contains Shea Butter (nut-derived)
 - **Non-GMO**
 - **No Artificial Fragrance, Dyes, or Preservatives**
 - **Not Vegan** (Contains tallow and beeswax)
 - **Cruelty-Free / Ethical Sourcing**
 - **Small-Batch Crafted in the USA**
-

9. REGULATORY & CAUTIONARY NOTES

- **FDA Disclaimer:** These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

- **Allergy Warning:** Contains shea butter, beeswax, and essential oils. Patch test before use. Discontinue if irritation occurs.
 - **Storage:** Keep out of direct sunlight and excessive heat. Do not introduce water into the container.
 - **External Use Only:** Not intended for internal use.
-

10. SCIENTIFIC SUPPORT

- **Grass-Fed Tallow:** Rich in bioavailable fatty acids like palmitoleic acid and conjugated linoleic acid (CLA), which mimic human sebum and support skin barrier repair.
- **East African Shea Butter:** Contains triterpenes and tocopherols that enhance elasticity, reduce inflammation, and protect against environmental stressors.
- **Ostrich Oil:** Penetrates deeply; shown to reduce inflammation and support wound healing due to its high omega 3, 6, and 9 content.
- **Castor Oil:** Functions as a humectant; supports lymphatic flow and detoxification through ricinoleic acid.
- **Beeswax:** Acts as a natural emulsifier and occlusive agent that helps lock in moisture and protect skin from irritants.
- **Rosehip Seed Oil:** High in trans-retinoic acid (a form of Vitamin A); supports skin regeneration, tone, and collagen production.
- **Sea Buckthorn Oil:** Rich in Omega-7 and carotenoids; accelerates skin regeneration and supports healing of burns and wounds.
- **Beta-Pinene & D-Limonene:** Terpenes shown to have anti-inflammatory, antimicrobial, and mood-enhancing effects.
- **Cedarwood, Frankincense, Sandalwood, Pine, Vanilla:** Essential oils with documented anti-inflammatory, calming, and antioxidant properties; enhance product sensory experience while offering dermatological benefits.
